

Customer: _____

Case #: _____

AUTHORIZATION FOR DAY OUTINGS

As the legal guardian for _____ I hereby authorize the following individuals to remove the above customer from the InReach Group Home where he/she resides for the purpose of a day outing. A day outing is a trip away from the group home where InReach staff are not present. This would include going out to eat, going shopping, visiting friends, visiting relatives, and any other outing where the customer is absent from the group home for a portion of the day and returns to the group home prior to bed time. Individuals listed below are permitted to remove the customer from the group home or from the care of InReach staff who may be supervising the customer at other locations. InReach will not be held responsible for the care or supervision of the above customer during such times as the customer is with one of the following individuals and InReach staff are not present. The following individuals may assist the customer with administering any medications which re scheduled to be taken during such day outings.
